BOARD OF SUPERVISORS COUNTY OF LOS ANGELES

June 8, 2016

LORI GLASGOW EXECUTIVE OFFICER

June 08, 2016

The Honorable Board of Supervisors County of Los Angeles 383 Kenneth Hahn Hall of Administration 500 West Temple Street Los Angeles, California 90012

Dear Supervisors:

SANTA MONICA BAY RESTORATION AUTHORITY BUDGET FOR FISCAL YEARS 2015-16 AND 2016-17 (SUPERVISORIAL DISTRICTS 3 AND 4) (3 VOTES)

SUBJECT

This action is to approve the Santa Monica Bay Restoration Authority's annual budget for Fiscal Years 2015-16 and 2016-17 to continue the development and implementation of projects to facilitate the protection and enhancements of natural resources of the Santa Monica Bay and its watersheds.

IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:

- 1. Find that the action set forth in this Board letter is not a project pursuant to the California Environmental Quality Act.
- 2. Approve the Fiscal Years 2015-16 and 2016-17 Budget for the Santa Monica Bay Restoration Authority.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Santa Monica Bay Restoration Authority (SMBRA) is a Joint Powers Authority comprised of the Santa Monica Bay Restoration Commission (SMBRC) and the Los Angeles County Flood Control District (LACFCD). The Joint Exercise of Powers Agreement (Agreement) creating the SMBRA requires the SMBRA to adopt and submit an annual budget to the governing boards of the LACFCD and SMBRC for approval and prohibits the SMBRA from disbursing any funds except pursuant to a

The Honorable Board of Supervisors 6/8/2016 Page 2

budget that has been approved by the LACFCD and SMBRC. The purpose of the recommended action is to approve the SMBRA's budget for Fiscal Years 2015-16 and 2016-17 (Attachments A and B, respectively). The Board's approval will allow the SMBRA to commence receipt and disbursement of funds in conformance with the adopted budget.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness/Fiscal Sustainability (Goal 1) by maximizing the effectiveness of the LACFCD's operations with strong fiscal management, and Community Support and Responsiveness (Goal 2) by effectively planning and responding to the environmental challenges in the Santa Monica Bay.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

On March 17, 2015, the Board authorized the Chief Engineer of the LACFCD or her designee to contribute up to \$25,000 annually in funds or in-kind services for administrative and operational expenses of the SMBRA. The remaining items in the SMBRA Fiscal Years 2015-16 and 2016-17 Budgets will be funded through grants and contracts from other agencies.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On April 6, 2004, the Board approved the Agreement to create the SMBRA. Creation of the SMBRA was authorized pursuant to the Joint Exercise of Powers Act under Government Code, Section 6500, et. seq.

The purpose of the SMBRA is to develop programs for the protection and enhancement of the natural resources of the Santa Monica Bay Watersheds and the Santa Monica Bay that are consistent with the goals and responsibilities of the SMBRC and the LACFCD.

The Agreement requires the SMBRA to adopt an annual budget that must then be approved by the governing boards of both the SMBRC and the LACFCD. The SMBRA approved the two-year budget on February 8, 2016, but may not disburse any funds pursuant to this budget until it has been approved by the Board and the governing board of the SMBRC. A copy of the SMBRA Resolution approving the budget is enclosed (Resolution Approving Fiscal Years 2015-16 and 2016-17 Budgets).

The SMBRA budget for Fiscal Years 2015-16 and 2016-17 was approved by the governing board of the SMBRC on February 18, 2016. A copy of the SMBRC resolution approving the budget is enclosed (Resolution No. 16-02).

The Agreement also provides for contributions of money or in-kind services from both the SMBRC and the LACFCD to fund the administrative and operational expenses of the SMBRA, not to exceed \$25,000 annually.

ENVIRONMENTAL DOCUMENTATION

The approval of the SMBRA's budget is not a project pursuant to the California Environmental Quality Act because it is an activity that is excluded from the definition of a project by Section

The Honorable Board of Supervisors 6/8/2016 Page 3

15378(b)(4) of the State California Environmental Quality Act Guidelines. This proposed action is a fiscal activity that does not involve any commitment to a specific project that may result in a potentially significant physical impact on the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The LACFCD will gain benefit from this action through the sustained operation of the SMBRA in developing projects beneficial to the health of the Santa Monica Bay. There will be no negative impact on current County services or projects during the performance of the recommended actions.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Watershed Management Division.

Respectfully submitted,

GAIL FARBER

Director
